

POLLEN-AIDERS MAKING A BEELINE FOR YOUR GARDEN!

Create a Pollinator-Friendly Garden

- Plant a variety of native plants (host, nectar, pollen) throughout the seasons.
- Furnish a water source (bird bath, bee waterer).
- Prepare nesting sites (leaves, bare ground, logs).
- Remove invasive species (butterfly bush, burning bush, Bradford Pear).
- Eliminate the use of pesticides.
- Commit to conservation practices.

Bee the first in your neighborhood to be certified!!!

Pollinator-Friendly Garden Workshop

July 29, 2023 1:00-2:30 PM

Harford County Agricultural Center

3525 Conowingo Road

Street, MD 21154
